Policy objective

This policy provides exemptions from Water and Sewer Developer Charges for Secondary Dwellings which are equal to or less than 60m².

Policy statement

Secondary dwelling definition: **Secondary dwelling** means a **self-contained dwelling** that:

- a) is established in conjunction with another dwelling (the principal dwelling), and
- b) is on the same lot of land as the principal dwelling, and
- c) is located within, or is attached to, or is separate from, the principal dwelling.

Aligned with the above, a secondary dwelling may be a standalone dwelling, be attached to an existing building or may result from the alterations or additions to a primary dwelling.

Requirements for exemption of charges

In order to be exempt from Water and Sewer Developer Charges, the secondary dwellings shall be equal to or less than 60m².

Exemption of Water and Sewer Developer Charges

Where approval is granted by MidCoast Council the associated Water and Sewer Developer Charges (Headworks Contributions) will be waived if the proposed secondary dwelling is equal to or less than 60m².

All other associated fees and charges shall remain applicable for approval and inspection of plumbing and drainage works.
