The accuracy of this flood level information request is limited to flood information available to Council at the time of provision. The information is provided in good faith and expressly for the use of the applicant without warrant or guarantee as to its accuracy. Should you need to rely wholly or in part on this information you are advised to employ the services of a suitably qualified engineer and/or suitably qualified surveyor to assist you in understanding its implications.

Flood level information requests do not take into account Council's planning controls or policies. Should you require this information an application can be made for Planning Certificates 10.7(2) or 10.7 (2) and (5). Similarly a copy of Council's Flood Management Policy can be provided if necessary.

Flood level information requests provide current estimates of various flood levels, taking into account where possible the projected effect of Sea Level Rise (SLR).
